

## **ABOUT US**

**Hello! We are Robert & Theresa Gould. We have been married for over 12 years and have been blessed with six dear children, so far. We are a homeschooling family who love the Lord Jesus Christ and desire to train up our children in the Word of God and Christ-like character. Reading is one of our family's favorite activities! Of course, the number one book we use to teach our children is the Bible, God's Holy Word, but there are many others, like Lamplighter Books, that we use as supplements.**

## **OUR PURPOSE**

**Faith and Family Books was established out of our desire to share with you books that will encourage and strengthen you in your faith. All of the books in our brochure can be found on the shelves of our home library, well read and loved. We also desired to establish a home business that would enable us to work together as a family. Our goal is to bring Robert home to work full-time so he can rise up and walk with our children in the spirit of Deuteronomy 6:4-9 - teaching and training our children in the ways of the Lord. Further, we want to instill within our children a vision for working together as a family in order to train our children in preparation to be the future men and women God intends them to be, enabling them to provide for their families and be helpmeets to their future husbands.**

## **FEATURING LAMPLIGHTER BOOKS**

**There is nothing more enjoyable than sitting down as a family (or alone☺) and reading a Lamplighter Book. We have laughed, cried and sympathized with the characters in these books. The books are based in the early 1500-1900's and have been beautifully re-printed in the timeless style of the originals, being bound in cloth or leather. Some of the Lamplighters are biographies, but most are fiction. In either case, the stories are based upon a particular character quality and how the main character grows in it. Lamplighter Books are wonderful books to add to school, home, church or public libraries! Take time to look through this brochure and visit our website at [www.faithandfamilybooks.com](http://www.faithandfamilybooks.com) Enjoy!**

## WOMEN/PREGNANCY

103.) A CELEBRATION OF PREGNANCY by DORAN RICHARDS and SUSAN TEDERICK ~ 58 Pages~ OUR PRICE \$10.00 Soft cover booklet with plastic binding.

The authors of this book have started a ministry called Blessing God's Way which we believe can fill a need in the modern church. More and more women express feelings of aloneness when they find themselves expecting a child. Our culture's emphasis on outside career achievements and materialism has spawned a view of

motherhood as either a thankless task without merit or an opportunity to pursue perfection through expensive clothing, nursery accessories, and other money-focused aims. Doran Richards and Susan Tederick have presented readers with a clear, biblical alternative: blessing mothers-to-be in a tangible way. Encouraging all ages to participate in a "Blessing God's Way" celebration, the authors show us how God's Word provides vision, help, refreshment, and godly exhortation for expectant mothers. This simple book will give you a vision for how you and your local church body can bless mothers-to-be in a thoroughly God-honoring and beautiful way. Learning how to wash the feet of our pregnant friends, reading them Scripture and poetry, singing songs of praise and covering them with prayer, loving words and warm affection can encourage them during the last month of pregnancy as they wait for the arrival of their precious little bundles.

104.) A CELEBRATION OF PREGNANCY - A Blessing God's Way KIT - Includes: 1 Celebration of Pregnancy Book, 16 invitations, brochures, 12 Yankee tea lights, herbal foot bath and massage oil to pamper the mother-to-be, and a pretty silver tray to display kit contents.
